

Agenda – CODE X – October 12, 2017

- ~~Dress Code~~ – plain white shirt and black bottom with any hint of red
- Resources request – Make final establishments
- Project summary on 301 websites open to the public – email Dr. P for confirmation
- Landing Page items – Tim & Daniel
- ~~Run through Demo for tomorrow~~ We'll have to do this tomorrow
- Carry on with assigned duties

Way Forward

- Work to complete – **OCTOBER 13:**
 - ✓ Heinrich - will continue working on Zizo to completion – hopefully we can get comparisons that can be used on Demo day & video.
 - ✓ Jocelyn – Website for Virtual Demo – due tomorrow night (Oct 13), picture for end of video (zizo, UP, Code X & Reroute)
 - ✓ Tim – Update video. – Will update here.
 - ✓ Eunice – Review landing page (check & update all links etc), email Dr. Pieterse on project summary, review all Documentation and diagrams
 - ✓ Daniel – Can you still get the ID stuff to work?
- For Project day – **OCTOBER 19:**
 - ✓ Transporters: Jocelyn & Tim – Tim please confirm plate number, lol
 - ✓ Tim – multiplug & table cloth
 - ✓ Poster board – Architectures, Code X, class diagrams, brief explaining project etc

That's all for now 😊
